To Whom It May Concern:

Re: Cutting Edge Glass, Inc. and Surety Bonding Capacity

This letter confirms that we are the bonding agent for Cutting Edge Glass, Inc. This letter also confirms that we have never received a single complaint as to performance or payment of obligations under the various construction projects that Cutting Edge Glass, Inc. has completed. Cutting Edge Glass, Inc. has an impeccable track record on completing various projects located in Colorado on time and under budget.

Surety bonds for Cutting Edge Glass, Inc. are underwritten by The Guarantee Company of North America USA, with an A (Excellent), VIII rating from A.M. Best. Cutting Edge Glass, Inc. currently has bonding capacity of \$10,000,000 single / \$20,000,000 aggregate. At the present time, the majority of their bonding capacity is available. Please note that underwriting of bonds is based upon favorable review of current financial statements, contract documents, and verification of financing for private projects.

We are pleased to recommend Cutting Edge Glass, Inc. to you and feel they will perform to your highest expectations. Should you have any questions pertaining to Cutting Edge Glass, Inc. or their bonding capacity, please contact our office.

Sincerely,

Cynthia M. Burnett
Senior Vice President
